Instructional Procedures									
Introduction									

To introduce the program, Lucas gave a brief overview of what he hoped the wing would get out of the video.

Body of Program

The video was shown.

Closure

Lucas followed up the video with a discussion on emotional correctness. Students were able to ask questions for clarification and a small friendly debate occurred about what does or does not constitute emotional correctness.

Reflection on Student Learning, Assessment and Lesson Implementation

What worked, didn't work, will do differently, and next steps

The students in my wing were really interested in this TED Talk. It was great to see because I was unaware that they would be so engaged in a TED Talk. Lucas led the discussion and students had a great conversation about emotional correctness and were very engaged in the program overall.
