Interview Workshop:

- Students come to the workshop as if they are going to an actual interview.
 - Must be dressed appropriately.
- RCs will have evaluation sheets and will use one per student.
- RCs will ask students mock interview questions in a group setting. Two to three questions should be asked. Can ask more if time allows.
- RCs will use the evaluation sheets to critique students on their interview abilities and the quality of their answers. After the interviews end, the student will take some time to look at the evaluation sheets and ask any questions they have to the RC.
