

ILLINOIS MATHEMATICS AND SCIENCE ACADEMY

Opening Convocation

For The

Charter Class

of

1989

September 7, 1986

"A Pioneering Educational Community"

For all of us involved in the dream of the Academy, this Convocation represents the culmination of our efforts — a celebration and recognition of our achievement and potential.

The word Aurora is Latin for DAWN. It is serendipitous that this is now our home.

In a very real sense, we are at the dawn of an enterprise that will evolve into something quite extraordinary for education in Illinois and indeed the nation.

Tonight we celebrate what has occurred and what is yet to come. . . .

Dr. Stephanie A. Marshall
