

P

ROCLAMATION

Presented by
Senator Linda Holmes
to the
Illinois Mathematics and Science Academy
Presented this 27th day of June, 2018

WHEREAS: The members of the Illinois Senate are pleased to recognize the Illinois Mathematics and Science Academy (IMSA) for hosting the 14th Annual International Student Science Fair (ISSF) for the first time in the U.S. in Aurora, Illinois; and

WHEREAS: The Illinois Mathematics and Science Academy develops creative, ethical leaders in science, technology, mathematics and engineering; and

WHEREAS: The International Student Science Fair is an annual worldwide event where students from approximately 40 STEM schools across the globe participate in workshops, lab experiments and independent research projects; and

WHEREAS: Students and educators from 18 different countries will be coming to Illinois to build professional relationships and experiences; and

WHEREAS The International Student Science Fair will highlight three global challenges: water, hunger and energy; therefore be it

PROCLAIMED: BY THE SENATE OF THE ONE-HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we celebrate the Illinois Mathematics and Science Academy for its service to thousands of educators and students in Illinois and beyond; and be it further

PROCLAIMED: That a suitable copy of this resolution be presented to the Illinois Mathematics and Science Academy at the 14th Annual International Student Science Fair as a symbol of our esteem and respect.

Senator Linda Holmes
42nd Senate District
