Certificate of Participation in the 11th International Student Science Fair

John Monash Science School is pleased to recognise your participation in the 11th International Student Science Fair between 7-11 December 2015.

Your active involvement in the ISSF provided you with 60 hours of professional engagement and knowledge at the *Frontiers of Science*.

We hope you will reflect on your experience with a sense of pride and achievement in the future, and thank you for your involvement.
