HOLLISTER LECTURE

The lecture, named in honor of Bernie Hollister, charter history and social sciences faculty, is part of IMSA's Annual Leadership Symposium. This year marks the 18th annual Lecture.

Our very own Fellow in Social Leadership, Dr. Kelly Page is this year's keynote. Kelly works at the intersection of social learning and digital participation. She works with individuals and organizations interested in learning how they can be more effectively social. She is passionate about working with people to develop their vision, voice & social ways to live, work and learn.
