Form for EnActos:

Directions:

Facilitators will be switched up (to avoid bias). Ask the questions, students will answer them as a class AS FAST AS THEY CAN, 2 bonus points will be awarded to whoever finishes first. Facilitators will be asking the questions, and one student will be writing the answers on a sheet of paper. Once they answer all the questions, one student must go to the tv pit to give a facilitator (that will be waiting there) the answers written on a sheet of paper.

Online this will be slightly different. Each class will receive the form and the class that gets the most answers right will/right the fastest will win.
