The Impact on Others

- Has a major effect on families and others living within Chicago
  - Baby shot in knee, mother killed and father critically wounded in shooting on Far South Side
  - “They kept saying the address and the street but I didn’t put two and two together,” Boozer Collins said. “It’s unbelievable.”
- Said by the sister of the victim
As seen from the chart, we are following the footsteps of the previous years.
What can we do to help?
Current Efforts

- Illinois has some of the strictest gun laws in the country:
  - **2013 to 2016**
    - The CPD (Chicago Police Department) recovered 7,000 guns per year that had been illegally owned or associated with a crime
  - **After 2016**
    - CPD increased in force
    - Former Gov. Bruce Rauner even stricter gun laws

- **FOID Cards**
- **Waiting Periods**
- **Child Access Prevention Law**

- **Design Safety Standards**
- **Reporting Lost or Stolen Firearms**
- **Temporarily Disarm Dangerous People**
