

Working with a Buddy

1 My whole body is listening.

2 I am taking turns.

3 I am using my quiet voice.

4 I am staying with my buddy.

5 I am being a helper.

6 I am being kind.

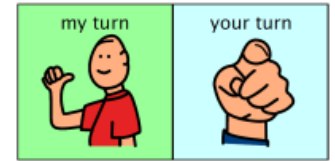

Working with a Buddy

I am using my eyes for looking, ears for listening, and my hands are quiet.

I am making sure that all voices get a turn.

I am using a soft voice and only my group can hear me.

I will raise my hand if we need help from the teacher.

I am asking my buddy for help and giving my buddy help.

I am using words for helping and not for hurting.
