

URGENT: AN OIL TRUCK TRANSPORTING ~9,000 GALLONS OF OIL HAS SPILLED DOWN THE STREET FROM THE SCHOOL.

GOVERNMENT WORKERS FROM THE EPA (ENVIRONMENTAL PROTECTION AGENCY) HAVE BEEN CALLED, BUT ARE UNABLE TO ARRIVE FOR AT LEAST A WEEK. IF THERE ARE GOING TO BE ANY IMPACTS, IT WILL BE UP TO US TO FIGURE OUT WHAT THEY MIGHT BE. WE MUST CONSIDER HOW ALL OF EARTH'S 'SPHERES' COULD BE AFFECTED BY THIS DISASTER.
