

8TH ANNUAL

Student Leadership Exchange

at Illinois Mathematics and Science Academy

WEDNESDAY, APRIL 28, 2021

9 AM- 11:30 AM | ZOOM Virtual Experience

ABOUT THE EVENT

LEAD culminates in the presentation of student projects, developed in elective modules, at the annual Student Leadership Exchange (SLX). SLX provides students an opportunity to present their projects and research to entrepreneurs, visiting professors, experts in their fields, IMSA faculty, state legislators, and most importantly each other. SLX functions much like an academic conference focusing on youth leadership, bringing awareness to social issues from around the world.

Evaluators of student presentations will receive a calendar invite one week before the event with the meeting link.

AGENDA

- 9:00 AM Welcome and Opening Remarks
by LEAD Coordinators Lalana Appasani and Brandon Smith
- 9:15 AM Round 1 Presentations
